

# “Listening for God” Worship Service

Monday, February 22nd at 7:30 pm

*A quiet worship experience of prayer and the improvisational music of Roger Hatch. Rev. Gail Wright will begin the service with a brief time of spoken prayer and a reading, and then while Roger plays the piano we will have time to just listen, pray silently, and meditate. All are welcome to stay until Roger finishes playing or leave whenever it feels right. We look forward to this new worship experience, and we hope you do too.*

For many years, Roger Hatch has played piano at church services, weddings, parties, restaurants, in bands, and other settings around Massachusetts, Maine and Rhode Island. His full-time job is school finance administrator with the Massachusetts Department of Elementary and Secondary Education, but his avocation is playing piano for anyone who is willing to listen. Music has always been a way for him to connect with people. At the prayer service, the music will be quiet and contemplative.
